

Bragg Creek Centre

FREE BROCHURE/MAGAZINE DISPLAY

Large solid wood brochure/magazine display unit on castors. Double-sided with lockable storage below.

Approximate Measurements:

4' Width

4' Depth (at largest point)

6' High

It is big and heavy, so you need means to load and transport it! However, the wheels are very solid, so it rolls nicely! Can be picked up at the Bragg Creek Community Centre (23 White Avenue, Bragg Creek). We would really like to find this a new home without throwing it away, so if you are interested and don't have means to transport it, please still inquire!

Contact Shawntel for more details or to make arrangements:
