Operations Technician Fulltime/Parttime

Springbank Park For All Seasons is looking for a highly motivated, safety orientated individual to fill an operations technician position.

General Overview:

This position is responsible for providing the public with venues that are safe, clean and in good condition. This position also requires strong communication skills to work directly with other staff members and the general public. This person must understand the importance of safe work practices and why those practices are implemented.

- The Operation Technician reports directly to the Operations Supervisor
- The individual must have grade 12 or equivalent
- Alberta class 5 drivers license, current drivers abstract
- 2-5 years experience in an arena recreation setting; driving Zamboni, edging, ice making
- Must provide a clean RCMP records check
- This job involves shift work, evenings, weekends and overtime when necessary
- Arena Operator 1 course, Parks and Sports field courses, basic construction knowledge, basic first aid, WHMIS, filling propane tanks course would be desirable.

Interested applicants please submit resumes and qualifications to,

Operations Supervisor
