

Swimming Pool Operator

Why should you join our team?

YMCA Calgary is actively building healthy communities - Join us in creating a better Calgary
YMCA Calgary opened its doors in 1902, since then we have evolved into a vibrant charitable organization where thousands of children, youth and adults access our programs and facilities. We are much more than a gym, pool, and recreational facility - we strive to adapt to community needs, and ensure that our programs and facilities can be accessed by all who need them. YMCA Calgary staff firmly believe that they are creating a positive impact in the community through their work at the Y. In our work we deliver health and wellness programs, community outreach, aboriginal programs, newcomer programs, day and overnight camping, outdoor schools, leadership development, childcare, and much more.

We serve diverse community needs through the Gray Family Eau Claire YMCA, Melcor YMCA at Crowfoot, Shawnessy YMCA, South Health Campus YMCA, Community YMCA, Saddletowne YMCA, Remington YMCA, Shane Homes YMCA, and Camp Chief Hector YMCA. The YMCA also operates a stand-alone childcare centre in Quarry Park to serve 348 children... and we are only just getting started. In partnership with the City of Calgary, we will expand our impact operating a new facility in Seton. These amazing new spaces will help us reach more people through our passionate volunteers, members, and staff.

At YMCA Calgary we are passionate about our work and know that we are creating a positive impact in the community. Our staff feel welcomed from the first day they start and quickly feel a sense of belonging here at the Y. If you are looking to care deeply about your work, make the community a better place, and develop your leadership skills this is the place for you!

- Leadership, a good work ethic, planning and problem-solving skills
- Strong written and verbal communication skills as well as able to deliver exceptional customer service
- Evidence of a clear Police Information Check and Vulnerable Sector Search
- Three professional references
- Must have a reliable transportation for emergency calls

What does this role look like at YMCA Calgary?

Reporting to the Operations Manager, this candidate will be responsible for but not limited to the following:

- Maintain pool systems - regular daily inspection and record keeping of all pool systems. Responsive maintenance and problem solving as required. Other tasks would include adding chemicals, backwashing, water sampling and vacuuming when required.
- Be responsible for the upkeep and appearance of all interior spaces, with planned facility maintenance. Tasks would include changing light bulbs, painting and minor refurbishment. Repairs to all interior and exterior fixtures and fittings as required
- HVAC systems - regular daily inspection and record keeping of all boiler, air handling units and chiller systems and BMS monitoring. Responsive maintenance and problem solving as required.
- Provide repairs and preventative maintenance on exercise equipment. Additional responsive maintenance and problem solving as required.
- Life Safety. Perform monthly scheduled load testing on the emergency generator, initiate a quarterly, Semi-annual schedule for/but not limiting to fire alarm testing and verifications as required by Insurance, Monthly inspections on fire Extinguishers, emergency lights and exit signs.
- Provide day-to-day facility maintenance/repair as directed and required. Respond to day-to-day work orders as received, prioritize when appropriate based on code requirements, safety, and membership relevant needs.
- Take deliveries and provide housekeeping support as required.
- Be responsible for daily administration tasks such as work order checks, work order updates, and communication log update.
- Ensure effective communication, both within the Branch but also across the Asset Department.
- Ensure all mandatory training is current and updated yearly. This would include Standard First Aid & CPR, Emergency Procedures, SAM Training, Hazard Assessment, and relevant job-specific training.
- Full support of housekeeping as required. This would include the maintenance of any equipment and assistance for specific tasks that require additional help.
- Part of the on-call rotation for the Seton YMCA, South Health Campus, Remington YMCA's & Quarry Park Child Development Centre
- All YMCA Facility Asset staff will be cross trained to be able to work at all Y locations as required.
- Other duties as assigned

What qualities do we look for in YMCA Calgary Staff and Volunteers?

Our staff model and are committed to the following competencies;

Developing Self and Others: Developing people with a view toward present and future capacity.

Building Purposeful Relationships: Relating to people authentically with their best in mind.

Creating a Culture of Community: Gathering people to purpose and vision.

Making Intentional Impact: Intending to make a difference every day.

Thinking and Acting Strategically: Applying thoughts, words, and actions in service to the vision.

Applying Business Acumen: Demonstrating excellence in technical skills and stewarding the YMCA Business Model.

Innovating: Ability to know your environment, initiate and respond effectively to changing conditions.
