

## AARFP Symposium 2018

### July 22-27 | Stettler, Alberta

The Alberta Association of Recreation Facility Personnel has scheduled our 11<sup>th</sup> Annual Educational Symposium in Stettler again this year in July. We're trying to see what month works best for people. This Symposium is designed to encourage facility operators and professionals to develop and enhance their skills and abilities in areas that will benefit themselves, their employer, their career, and the facility in which they operate.

The Symposium is intended to deliver a number of courses in a cost-effective manner by scheduling them during a one week period in the same place. It is also intended to help those individuals that are working towards achieving certification in recreation along with their Recreation Facility Operator Master certification.

Courses that will be offered this year in Stettler are:

July 22	Lifecycle/Risk Management
July 22-23	Swimming Pool Operator Level 1 (Certified)
July 22-23	Building Maintenance Level 1
July 22-23	Arena Operator Level 1
July 23	Custodial Maintenance
July 24-25	Building Maintenance Level 2
July 24-25	Parks & Sport Fields Operator Level 1 <i>(Note: this is now a 2-day course)</i>
July 24-27	Swimming Pool Operator Level 2 (Advanced)
July 24-27	Arena Operator Level 2
July 26-27	Supervisory Skills
July 26-27	Parks & Sport Fields Operator Level 2

Registration for any of these courses can be done online at our website, [www.aarfp.com](http://www.aarfp.com). Please note that some courses may not run if there are not enough people registered in that course.

If you require more information, please contact the office at 1-888-253-7544 or by email [office@aarfp.com](mailto:office@aarfp.com).
