

R.F.P. HUMAN RESOURCES

Position Title: Stream Representative

Role Expectations:

1. Shall promote the association to the membership and prospective members in their respective stream.
2. Shall assist the Education Representative and participate in the Education Committee.
3. Shall work with the Executive Director and Education Representative to recommend and facilitate updates of existing courses and new course development as required by the membership for the relevant stream.
4. Shall strive to create and maintain an environment that stimulates and supports communication, education, training and support for all recreation facility members of the specified Stream.
5. Shall act as a liaison with stream members and the office to set up programs and services (educational workshops/meetings/webinars/bull sessions etc.).
6. Shall represent the association on issues affecting recreation facility personnel within the stream.
7. Shall strive to be knowledgeable with upcoming trends within the stream.
8. Shall perform other duties as assigned.

Approved: January 26, 2017
