

Fenlands Operator, Full-Time Permanent

Starting a path in Recreation Facility Maintenance begins with a role as a Fenlands Operator. This position is focused on custodial duties and guest relations, and you help “Take Care of Banff” by maintaining the beautiful appearance of the facility while performing minor general repairs. We rely on your keen attention to detail to showcase the stunning condition of The Fenlands, Banff Recreation Centre.

Your previous work experience includes custodial, janitorial, or housekeeping functions of indoor and outdoor care of a facility and its amenities. Your knowledge in the use of a variety of cleaning products and equipment is demonstrated in your keen attention to detail and quality of the work you produce. You are no stranger to performing minor maintenance and repairs and delivering a steady pace of work in a busy and physically demanding work environment. You are prepared to encounter and interact with visitors as a regular part of your day-to-day job and enjoy these opportunities to engage in exchange of information and providing assistance.

You will have the opportunity to learn about and provide consistent standards of quality in ice installation, maintenance and removal. You are a demonstrated team player, ready to pitch-in when facility activity peaks, and support your co-workers in delivering an exceptional user experience. You have the ability to change focus in a moment from cleaning a dressing room to helping a visitor looking for directions.

The Fenlands, Banff Recreation Centre is a seven-day-a-week operation with morning and evening shifts. Your experience includes work with a variety of hand and power tools and light duty equipment, as well as a workplace health and safety program (WHMIS in particular). You have a valid class 5 Alberta driver’s license (or equivalent) and can provide a clean drivers abstract and criminal background check with vulnerable sector clearance on hire.

Employee Mission: “Taking Care of Banff: our Community, our People, our Park”

For your safety and the safety of others, you will be required to demonstrate (in writing from an Alberta Health Services authorized site) that you are fully vaccinated for COVID-19 as of your hire date.

This position will remain open until filled.
