## Operator I – Sportsplex

---

The Town strives for a culture focused on our values of being dedicated, helpful and knowledgeable. We are dedicated to providing a quality lifestyle to the residents of Olds. Recreational opportunities are available in a number of different facilities: a two-sheet ice complex, Skate Park, Aquatic Centre, Splash Park and 350 acres of parks.

The Town of Olds has an opening for a full time Operator I – Sportsplex. Reporting to the Supervisor-Sportsplex the incumbent will be responsible for all aspects of the daily operation and maintenance of the Sportsplex. During the winter duties include maintenance of ice surfaces, driving an Olympia Ice Bear, refrigeration plant and HVAC checks, facility maintenance, custodial duties, and sidewalk snow removal at Town of Olds facilities. In the summer duties include facility maintenance, caring for the dry surface for user groups such as lacrosse and custodial duties.

Qualifications: Grade 12 or equivalent, a valid Class 5 Alberta drivers license, a valid Standard First Aid/CPR certificate, basic building trade skills related to recreation facility maintenance, and the ability to effectively communicate with supervisors, co-workers, and the public. Candidates with Alberta Association of Recreation Facility Personnel Level 1 Arena Operator course, prior experience with ammonia refrigeration systems and ice re-surfacer operation may be given preference.

Compensation is based on a 40-hour work week. Rotational Stand-by, weekends, day and night shift work are required. A criminal record check, including vulnerable sectors and a current driver's abstract will be required before an offer of employment will be made.

A detailed job description including specific qualifications can be found on the Town of Olds website at [www.olds.ca/contacts/employment-opportunities](http://www.olds.ca/contacts/employment-opportunities)

Interested parties are invited to submit resumes outlining their qualifications, a criminal record check including vulnerable sector and a driver's abstract by 8:30 am on November 1, 2021:
