

2023 Alberta Association of Recreation Facility Personnel (RFP) COURSE SPONSORSHIP

About the Alberta Association of Recreation Facility Personnel (RFP)

The RFP trains over a thousand people each year. We're good at it. It's what we do. It's who we are. People across Alberta and into the Northwest Territories, Nunavut, Saskatchewan, and British Columbia come to us as an educational resource within the recreation industry. We run courses focused on leading and operating arenas, pools, parks, and facilities. Our instructors are some of the industry's best and brightest and we are proud of that fact.
