For Sale

1 set of 2 outdoor Sport Court Basketball adjustable nets. They have been in storage for 3 years and will not be reinstalled on site.

We are looking for \$500.00 for the set or best offer. They are easy to move out and load into your truck. They are to be bolted to a concrete base. We have replaced the original backboards, when broken, with 5/8 lexan for durability. These were installed outside.
