

Wanted To Purchase \$1

About Us:

The Recreation for Life Foundation is Alberta’s recreation and parks charity – building healthy communities and improving quality of life.

The foundation started in 2003 to help build healthier communities and improve quality of life.

We believe that recreation is “all those things that a person or group chooses to do to make their leisure time more interesting, more enjoyable, and more personally satisfying. Recreation includes all those activities in which an individual chooses to participate in one’s leisure time and is not confined solely to sports and physical activity but includes artistic, cultural, social, and intellectual activities.”

What we need:

We are looking for **New** and **Used** playgrounds and play equipment, either metal or hard plastic. We are upcycling the equipment that you would be selling us.

Please contact **Jason Simituk** Chair of Recreation for Life Foundation.
